

## **AMERACASH SOLUTIONS INC. TO SPONSOR PA MUNICIPALITY AUTHORITIES CONFERENCE**

**(Hershey, PA)** - Municipalities from across the Commonwealth of Pennsylvania are gathering next week for their 66th annual convention entitled "Community System Infrastructure (CSI)." The conference will focus on services delivered safely, efficiently and cost effectively by municipal authorities in Pennsylvania.

The conference will be held at the Hershey Lodge and Convention Center in Hershey on September 7 to 10, 2008. As part of the opening ceremonies and business meeting, Debra Palmer George of the Center for NonProfit Management will be the featured keynote speaker.

AmeraCash Solutions Inc. (ASI), a leading payment processor for utility and municipality bill collections, plans to exhibit at the event and be available to answer questions on the methods municipalities may employ to collect payments. ASI will also be conducting a seminar on the latest technologies in consumer bill payment transactions on Tuesday, September 9 at 10:45 a.m. to 12:15 p.m.

"We are looking forward to participating in one of the largest conferences involving local officials," said Joe Heller, CEO of ASI. "Due to the downturn in our economy, collecting payments will be increasingly more important to the cash flow of municipalities and utilities."

The annual event for management executives with municipal authorities, helps to update, educate, and discuss the issues facing Pennsylvania's communities. There will be instructional seminars on tools and techniques for local governments to become more innovative, effective and responsive in providing services.
